## Criminal Check

### What is a Nationwide Criminal Check?

This section lists criminal records from county courts, department of corrections, administration of the courts, and other legal agencies. The types of offenses include felonies, misdemeanors, sexual offenses, and more. Please closely review each record as subjects with a common name may return multiple criminal record results.

#### Criminal & Civil Check Disclaimer

Customers are charged a search fee for executing a Criminal & Civil Check. The Criminal & Civil Check report returns results which may include all criminal records or no results found on the individual. In the event of using this service for criminal background checks, you should not assume that this data provides a complete or accurate history of any person's criminal history. You should use extreme caution when interpreting the results of a criminal background search for any type of personal verification. Positive or false matches in criminal searches may not provide confirmation of an individual's criminal background. Please reference the updated Intelius User Agreement for additional restrictions regarding the usage of this data.
